Junior School

The Junior School provides your son or daughter with a positive and nurturing education, equipping them with the knowledge and skills to succeed in their senior education and beyond as young adults. These formative Junior School years are when children start to move from dependence towards independence. We aim to facilitate this journey with a lively curriculum and robust pastoral care. All our Year 6 pupils are offered automatic progression to our Senior School.

Senior School

The Senior School years are where children shape their own identities as young adults. Hall School Wimbledon's nurturing pastoral care and broad curriculum support your child on this journey. In 2019, 70% of GCSE examinations at Hall School Wimbledon were awarded the top grades 9 to 6 / A* to B. These successes enable our Year 11 leavers to take up places at leading academic and creative Sixth Forms.
